

## GUIDELINES FOR CONTRIBUTORS

The journal “Nuclear Physics and Atomic Energy” publishes articles which are completed works containing the new results of theoretical and experimental researches on Nuclear Physics, Atomic Energy, Radiation Physics, Radiobiology and Radioecology, Engineering and Methods of Experiment.

Contributor should submit two copies of the complete manuscript to Prof. I. M. Vyshnevskiy, Institute for Nuclear Research, National Academy of Sciences of Ukraine, Prospekt Nauky, 47, Kyiv, 03680, Ukraine or by e-mail: [interdep@kinr.kiev.ua](mailto:interdep@kinr.kiev.ua) The manuscript should be submitted with the official cover letter signed by the institution's manager (Director) where the work is carried out. The publication should be approved by all co-authors, if any. Charges for submission and processing of manuscripts are not required.

All papers submitted to the journal are peer reviewed and approved by the Editorial Board. The Editorial Board has the rights to decline papers, which are not in line with the journal profile, contain no new information or which scientific and methodological levels are not high.

The hard copies and electron version should be prepared according to the rules listed below. The editors reserve to themselves the right to reject the paper with unsatisfactory quality of the contributed material.

Each paper must begin with an abstract. The abstract should be typed in the same manner as the body text (see below). Please note that these Instructions are typed just like the manuscripts should be. The abstract must have no more than 1000 phonetic symbols, supplying general information about the achievements, and objectives of the paper, experimental technique, methods applied, significant results and conclusions. The text should be printed on the paper 21 × 29.7 cm (A4 format), with margins of: Top – 2, Bottom – 2.5, Left – 3, Right – 1 cm. The abstract (including the title of article, names of author and coauthor(s), affiliation(s) and keywords) should be presented in Ukraine, Russian and English.
